Important information

What's an Accountable Care Organization (ACO)?

Fallon 365 Care is a MassHealth Accountable Care Organization (ACO) Partnership Plan. It's made up of Reliant Medical Group (and Southboro Medical Group) and Fallon Health—health care leaders that have been caring for MassHealth members for decades.

An ACO is a health plan that's accountable to provide you with high-quality care. An ACO helps you meet your health goals. ACOs have groups (networks) of Primary Care Providers (PCPs) and other providers. They work together to meet your overall health care needs. In an ACO, your PCP and their team is responsible for working with you and your other providers. This coordination will help you get the right care at the right time.

What's the service area for Fallon 365 Care?

You must live in the Fallon 365 Care service area to be enrolled in Fallon 365 Care. It includes many cities and towns in Hampden, Middlesex, Norfolk and Worcester counties. For a complete list of cities and towns, see your *Member Handbook*.

About this provider directory

This provider directory is arranged in sections.

- On pages viii-xi is an alphabetical listing of Massachusetts hospitals with emergency room services located in all areas of the state. If you need to access emergency care, you can go to any of these hospitals without a referral. An alphabetical listing of Fallon 365 Care's contracted network hospitals can be found on page 2360.
- On pages xii-xviii is an alphabetical listing of statewide behavioral health (mental health and/or substance abuse) emergency services program (ESP) providers located in all areas of the state. If you are having a behavioral health crisis/emergency, you can access any of these services programs 24 hours a day, seven (7) days a week. No referral is necessary for emergency behavioral health services.
- On pages 2066-2083 is an alphabetical listing of all the towns where Fallon 365 Care PCPs are located. There's an alphabetical listing of Fallon 365 Care PCPs arranged by primary care type. Each provider's entry includes the following applicable information:

His or her name	Handicapped accessibility	Languages spoken
Address	Open, closed or limited panel	Medical interpreter services
Phone number	Interpreter services	Office hours
The hospital(s) to which he or she can admit patients	Areas of special experience, skills and training	Braille and sign language service
		Cultural competency training

- Pages 2084-2332 include an alphabetical listing of all Fallon 365 Care contracted specialty providers. Each provider entry includes the same information as listed above.
- Pages 1-2065 include an alphabetical listing of all Fallon 365 Care contracted behavioral health providers. Each provider entry includes the same information as listed above, as well as licensing information.

The information contained in this book is current as of the date of printing. For the most current listing, you can visit fallonhealth.org/365care to search for providers online. Simply click on "Find a doctor," and in the Advanced Search section, select Fallon 365 Care in the "Search a specific plan's network."

Copies of this provider directory are available in Spanish, large print and other alternate formats like Braille by calling Fallon's Customer Service Department at 1-855-508-3390 (TRS 711), Monday through Friday from 8 a.m. to 6 p.m. You can also call this number to have this Provider Directory read to you in English or in other languages, or if you are looking for a particular physician who is not listed here.

Some providers are accepting a limited number of new patients. We have indicated this status with a lowercase "l" (l) following these providers' names. However, it's always best to check with each provider to be certain he or she is accepting new patients.

Below is a legend to explain the statuses indicated throughout the directory.

Status	Explanation
l	Accepting a limited number of patients; call provider office
c	Closed to new members
cc	Cultural competency training
h	Handicapped accessible
i	Interpreter services
b	Braille and sign language services
mt	Medical interpreter services
tp	Available by mass/public transportation
v	Available for routine vision services

Choosing a primary care provider (PCP)

In an ACO, your PCP and their team is responsible for working with you and your other providers to manage your basic health care needs. Each family member covered by Fallon 365 Care must select a PCP. You can choose from among these types of PCPs:

- A provider of internal medicine for adults
- A provider of family practice for adults and children
- A provider with an OB/GYN specialty listed in the primary care provider section (for women only)
- A pediatrician for children (usually up to age 18)

If you need to change your PCP, you can do so by calling Fallon Customer Service at 1-855-508-3390 (TRS 711), or by visiting fallonhealth.org/365care. To search for providers online, simply click on "Find a doctor," and in the Advanced Search section, select Fallon 365 Care in the "Search a specific plan's network."

Specialty care providers and referrals

When you see specialists at Reliant Medical Group or Southboro Medical Group, you don't need a referral from your PCP. If you wish to see a specialist who is in the Fallon 365 Care network, but who is not a Reliant Medical Group or Southboro Medical Group specialist, then you must get a referral from your Reliant Medical Group or Southboro Medical Group PCP. For example, if you need to see an allergist, a doctor that takes care of you when you have allergies and who is not a Reliant Medical Group or Southboro Medical Group specialist, your PCP will arrange a referral for you. Generally, you may not set up an appointment with a non-Reliant

Medical Group or Southboro Medical Group specialist without first consulting your PCP. In some cases, you don't need to get a referral. For example, you can receive behavioral health services, OB/GYN services, family planning services and eye exams without calling your PCP first.

Family planning services can be obtained from any contracted Fallon 365 Care provider, including your PCP or an OB/GYN provider located at a community health center, multi-specialty group practice or individual office, without a referral. This includes birth control methods as well as exams, counseling, pregnancy testing and some lab tests. Call Fallon Customer Service at 1-855-508-3390 if you need help finding a provider for family planning services.

If you need behavioral health services, you may choose any provider in Fallon 365 Care's behavioral health network. You can make the appointment on your own or call Carelon Behavioral Health Strategies, LLC at 1-888-877-7182 (TTY: 711), Monday through Friday 8 a.m. to 6 p.m., to help you find a provider. Or, visit them online at www.carelonbehavioralhealth.com. You may also ask for assistance from your PCP.

Preauthorization may be required from your PCP for acupuncture services. If you are seeking these acupuncture services for detoxification treatment, please contact Carelon Behavioral Health at 1-877-7182 (TTY: 711), Monday through Friday 8 a.m. to 6 p.m., to help you find a provider. To search for specialty care or behavioral health providers online, simply click on "Find a doctor," and in the Advanced Search section, select Fallon 365 Care in the "Search a specific plan's network."

See the section entitled "We'll help you pick a primary care provider" in your *Member Handbook* for information about scheduling health care appointments as well as information about referrals and authorizations.

What are Community Partners (CPs)?

Community Partners are community-based health care and human service organizations that partner with MassHealth Accountable Care Organizations (ACOs), like Fallon 365 Care and support MassHealth's commitment to:

- Improve member experience, continuity and quality of care
- Promote collaboration to address social determinants that impact an individual's stability and wellbeing
- Strengthen communications and care coordination across health, behavioral health, long term services and supports, and social service needs
- Support individuals with disabilities to live in the community independently

There are two types of CPs: Long-Term Services and Supports CPs (LTSS CPs) and Behavioral Health CPs (BH CPs). LTSS CPs provide care coordination support for people with complex long-term services and support needs. This includes members with physical disabilities, traumatic brain injury, intellectual or developmental disabilities and others. BH CPs provide appropriate treatment and recovery support for individuals with complex behavioral health conditions. *Please note that members can only access CP providers if they are identified as being eligible.* The CPs included in the Fallon 365 Care network are listed on page 2358.

Emergency and post-stabilization services

Emergency and post-stabilization services do not require referral or authorization. When you have an emergency health condition, you should go to the nearest hospital emergency room or call your local police department, fire department, or 911. You can find a list of statewide hospital emergency rooms beginning on page vii of this directory. For behavioral health emergencies, you may also call your local behavioral health emergency services program (ESP) provider. A list of statewide ESP's is located in this directory beginning on page xi. You should notify your health care provider about your emergency as soon as possible. You or someone else should call to tell your PCP about your emergency care within 48 hours and, if you experienced a behavioral health emergency, someone should contact your behavioral health provider within 48 hours. For

more information on emergency benefits and plan procedures for emergency services, see the section titled “We’ll help you pick a primary care provider” in your *Member Handbook*.

Getting care when you travel

You are covered for emergency services, post-stabilization services and urgent care services, such as injuries and sudden illnesses, wherever you travel, even if you are outside of Fallon’s service area. If you become seriously sick or hurt while you are away, go to the nearest doctor or hospital emergency room or call 911. Be sure to call your PCP, and, if applicable, your behavioral health provider, within 48 hours of receiving emergency, post-stabilization or urgent care while you travel. Routine care when you travel is not covered. For more information on getting care when you travel, consult your *Member Handbook* in the section titled “Getting care when you travel.”

If you get a bill

As long as you go to a Fallon 365 Care network provider or have Fallon 365 Care’s approval to go to an out-of-network provider, your provider cannot bill you for a service that is covered under the Fallon 365 Care MassHealth ACO Partnership Plan. But, if you get a bill for services you got from a provider, contact the Fallon Customer Service Department at 1-855-508-3390. A representative will help you with the bill.

For more information on what to do if you get a bill, see the section titled “Important things to remember about Fallon 365 Care” in your *Member Handbook*.

However, you can choose to make an appointment yourself with a behavioral health provider. No prior authorization is required for the first 12 visits. However, after that you would need prior authorization from the plan. If you need help finding a behavioral health provider, please call 1-888-877-7182 (TTY: 711).
