Urgent care centers and mini clinics

Total Number of Facilities: 35

Urgent care is care that is needed right away, but that you don't think is an emergency. Mini clinics are generally staffed by nurse practitioners and physician assistants who are trained to diagnose and treat common illnesses, minor injuries and skin conditions to help you get better. If you experience a medical condition that requires urgent care, you should call your PCP first. If the doctor can't see you for 48 hours, ask if a mini clinic visit would be appropriate. Remember, mini clinics do not take the place of your health care provider and you should continue to schedule regular and ongoing visits with your PCP. Mini clinics are open 7 days a week and on evenings and weekends. Hours of operation may vary by location and no appointments are required.

Ancillary providers

Ancillary providers are doctors and facilities, which provide additional care and services not typically provided by your PCP or other specialists. For example, a facility that provides X-rays or MRIs would be an ancillary provider. Another example would be a laboratory that processes blood work. See the Covered Services List that came with your Member Handbook for ancillary services that need prior authorization. If you have any questions, please call our Customer Service department at the number listed below.

Notice of inclusion resources

At Fallon Health, we believe everyone deserves access to **health care without discrimination**. We work every day to help people of any age, income level, race, color, ethnicity, national origin, disability, religion, sexual orientation, sex, gender identity, and health status achieve their health goals.

To make sure you have access to all the resources and information necessary to understand and access your health plan benefits, we:

- Provide **free aids and services**—such as qualified sign language interpreters and written information in other formats, including large print, braille, accessible electronic formats and other formats
- Provide **free language services**—such as qualified interpreters and information written in other languages—to people whose primary language is not English.
- Have **dedicated resources, individuals, and teams** that specialize in reviewing our policies to ensure inclusion of the unique needs of our transgender and gender diverse members.

If you need access to or wish to discuss any of this information or resources, **please call us** at the phone number on the back of your member ID card. Or you can email us at cs@fallonhealth.org.

If you believe Fallon or a provider has **discriminated against you or didn't provide these resources**, please tell us. You can write, call, or email us at:
